

# Stronger

## Will Young

Umm, yeah  
Hmm, hmm  
Hmm, hmm, hmm  
Life  
Has a funny way of tryin' to make  
    You a certain type  
    And makin' it hard  
    Yeah, life  
Is feet firmly on the ground  
    With a fear of flying  
    It's always too far  
It only makes me stronger  
When you say I can't do it  
    I'll work that bit harder  
When you say it's not within my grip  
    The barriers, I'll break 'em down  
I'll prove myself, I'll stick around  
    I'll get through it all somehow  
    Nothing's unreachable  
    Life  
Is full of all these empty words  
    In perfect rhyme  
When they don't make no sense  
    Resigned  
To all of these doubts and nerves  
    You want first place  
    But you take second best  
    It only makes me stronger  
When you say I won't succeed  
    I'll work that bit harder  
When you say you see no strength in me  
    The barriers, I'll break 'em down  
I'll prove myself, I'll stick around  
    I'll get through it all somehow  
    (Nothing's unreachable)  
    Oh, it's just a state of mind  
If you set yourself up to fall  
    You'll never get there at all  
    All you've got to do is rise

It takes more to break me  
Than a wave or two  
Whatever's sent to test me  
Gonna make me through  
I, I, ah  
It only makes me stronger  
When you say I can't do it  
I'll work that bit harder  
When you say it's not within my grip  
The barriers, I'll break 'em down  
I'll prove myself, I'll stick around  
I'll get through it all somehow  
Nothing's unreachable  
Don't hide  
Don't cover up what fuels you  
Deep inside  
It carries you on  
Go find  
That dream you dreamt about  
Each and every night  
Before it's gone  
Huh, hey, ahh, uh, ah, ah  
Uh, ah, ah, uh, ah, ah  
Uh, ah, ah, uh, ah, ah  
Hey, hi, hi, hey, hey  
'Cause you don't understand how I feel  
You don't understand this is real  
It's life  
Gone  
Yes it's life  
It's gone  
Hmmm, uh, uh  
Uh, uh, uh, uh
