Up All Night

Joan Osborne

Deep in my dark there is a light
When I have lost the will to fight
You give the blind a second sight
You keep me up all nightSometimes the moon, sometimes the tide
We are the horse, we are the ride
We are the bird, we're taking flight
You keep me up all nightOh, don't it seem that it's better than a dream?
Every time with you is made of gold
Oh, don't it feel nothing's ever been so real?
'Cause you take me to the bottom of my soulYou keep me up all night
You keep me up all night
You give the blind a second sight
You keep me up all nightSometimes the cut, sometimes the knife
Always the hand that holds my life
You keep me up all night
You keep me up all nightOh, don't it seem that it's better than a dream?
Every time with you is made of gold
Oh, don't it feel nothing's ever been so real?
'Cause you take me to the bottom of my soulYou keep me up all night
You keep me up all night
You give the blind a second sight
You keep me up all nightYou keep me up all night
You keep me up all night
You give the blind a second sight
You keep me up all nightYou keep me up all night
You keep me up all night
