

Bleed It Out (Live from Melbourne, 2010)

LINKIN PARK

Yeah here we go for the hundredth time
Hand grenade pins in every line
Throw 'em up and let something shine
Going out of my f**king mind Filthy mouth, no excuse
Find a new place to hang this news
String me up from atop these roofs
Knot it tight so I won't get loose Truth is you can stop and stare
Run myself out and no one cares
Dug a trench out, laid down there
With a shovel up out of reach somewhere Yeah someone pour it in
Make it a dirt dance floor again
Say your prayers and stomp it out
When they bring that chorus in I bleed it out, digging deeper just to throw it away
I bleed it out, digging deeper just to throw it away
I bleed it out, digging deeper just to throw it away
Just to throw it away, just to throw it away I bleed it out, go, stop the show
Choppy words in a sloppy flow
Shotgun, opera, lock and load
Cock it back and then watch it go Mama help me I've been cursed
Death is rolling in every verse
Candy paint on his brand new Hearse
Can't contain him he knows he works F**k this hurts, I won't lie
Doesn't matter how hard I try
Half the words don't mean a thing
And I know that I won't be satisfied So why try ignoring him?
Make it a dirt dance floor again
Say your prayers and stomp it out
When they bring that chorus in I bleed it out, digging deeper just to throw it away
I bleed it out, digging deeper just to throw it away
I bleed it out, digging deeper just to throw it away
Just to throw it away, just to throw it away I bleed it out
I've opened up these scars
I'll make you face this
I pulled myself so far
I'll make you face this now I bleed it out, digging deeper just to throw it away
I bleed it out, digging deeper just to throw it away
I bleed it out, digging deeper just to throw it away
Just to throw it away, just to throw it away I bleed it out, digging deeper just to throw it away
I bleed it out, digging deeper just to throw it away

I bleed it out, digging deeper just to throw it away
Just to throw it away, just to throw it away I bleed it out
I bleed it out
I bleed it out
