

# Love Sick

## Jonas Brothers

I make up one more lame excuse  
Why can't come out tonight  
I'm not trying to cut you loose  
I just need some time

Oh, oh, oh, oh

I'm feeling love sick but I don't mind  
You're the one I think about  
It's every day, it's every night  
Oh, call the, the doctor  
I'm love sick  
Yeah  
I'm love sick  
Going back and for so long  
And you're getting over

Waiting on me to be strong

And you start to wonder  
Oh, oh, oh, oh

I'm feeling love sick but I don't mind  
You're the one I think about  
It's every day, it's every night  
O-oh, call the the doctor  
I'm love sick  
Whoo  
You're the one I think about  
It's every day, it's every night  
Oh, call the doctor  
I'm love sick
