

# Rude Awakening

Gargaj

Another rude awakening  
The hard life that's been our school  
More of a cruel day's reckonings  
Our prime time used up too soon There is no kindness to waste  
Why help those crying for more?  
It spins you around, takes you for a ride  
What is the point to even try?  
Somehow got to learn to accept the rejection The tired thoughts from troubling  
A weary mind from worrying  
Your constant fears upon wakening  
Your real life left in your dreams There is no kindness to waste  
Why help those crying for more?  
It spins you around, takes you for a ride  
What is the point to even try?  
Somehow got to learn to accept the rejection  
Accept the rejection, accept the rejection, yeah Another  
Another Another rude awakening  
The hard life that's been our school  
More of a cruel day's reckonings  
Our prime time used up too soon There is no kindness to waste  
Why help those crying for more?  
It spins you around, takes you for a ride  
What is the point to even try?  
Somehow, somehow got to learn to accept the rejection  
Accept the rejection
