Fat and Merry

Jason Boland & The Stragglers

Let's live fat and merry
Cuz life's so ordinary
Let's all live fat and merry 'fore we die
We'll raise a couple clones
With internal microphones
Let's all live fat and merry 'fore we dieBeeline for the suburbs
And find a house that we can ill afford
As long as the schools are safe
Who cares if the kids are always bored
Back into the city
Re-gentrify the shitty part of town
Coffee shops and Escalades
Where Escalades and cocaine could be found
Let's all live fat and merry
Cuz life's so ordinary
Let's all live fat and merry 'fore we die
We'll raise a couple clones
With internal microphones
Let's all live fat and merry 'fore we diePlease excuse the fossil fuels
And all the trash that's left out in our way
We never meant to make it worse
Ignorance is something hard to fake
Bankrupt of excuses
Complicit it in abuses, that's for sure
Here in the land of plenty
There are plenty that could land a little more
Let's all live fat and merry
Cuz life's so ordinary
Let's all live fat and merry 'fore we die
We'll raise a couple clones
With internal microphones
Let's all live fat and merry 'fore we dieYeah, let's all live fat and merry
Because life's so big and scary
Let's all live fat and merry 'fore we die
We'll raise a couple clones
With internal microphones
Let's all live fat and merry 'fore we dieOh, let's all live fat and merry 'fore we die
