Woman (JD Twitch's Optimo Re-edit)

Wolfmother

Woman,
You know you,
Woman,
You gotta be,
Woman,
I've got the feeling of love,
When you're talking to me, see right through me,
I've got the feeling of aloneShe's a woman, you know what I mean,
You better listen, listen to me
She's gonna set you free oh oh yeahYou've come looking for me, like I've got to set you free
You know I can't free nobody,
You've come looking for me, like I've got to set you free,
I can't be nobody.She's a woman you know what I mean,
You better listen,listen to me,
She's gonna set you free oh oh yeahWoman,
You know you,
Woman,
You gotta be,
Woman,
I've got the feeling love,
When you're talking to me, you see right through me,
I've got the feeling loveShe's a woman, you know what I mean,
You better listen, listen to me
She's gonna set you free oh oh yeah
