

Irresistible Force (Met The Immovable Object)

Jane's Addiction

We didn't know that it would blow up
With such might
The stars are even brighter
Contrasted by the nightSent out the shock waves
Filled up the outer space
Even the ghost came
To the late, late, late show
Watch us playOoh, everything went tossing
Everyone was talking
Making up their faces
Wonder what we look like naked?Ah, the irresistible force
Met the immovable object, oh
Ah, the irresistible force
Met the immovable objectBanging and banging
And banging and banging
And banging togetherWe've become a big business
Oh, a galaxy merger
The two of us a big bang
Yeah, God is a real man
God is a dad, God is a dadAh, the irresistible force
Met the immovable object, oh
Ah, the irresistible force
Met the immovable objectBanging and banging
And banging and banging
And banging togetherAh, the irresistible force
Met the immovable object, oh
Some may call me a lucky shot
No, no, no, but it was notBanging and banging
And banging and banging
And banging
Banging and banging
And banging and banging
And banging together
