Kick Back

Fireball Ministry

Can't stop the whining one who's bleeding
Last up the final curtain call
Lookout for any sign of leading
I've said it all before you've heard it all
No lock. on any door looked over anyone
Who took the fall kick back begun
Kick back undone same old story
Kick back behind
Kick back unkind
All that faded glory
Don't walk don't ease
The pain of strangers beneath
There is an alibi watch out
There's a storm a coming watch out
When the blood starts running
Watch out it was all because of you
