The Illusionist

Scar Symmetry

As an outcast I faced defeat
Seeking comfort in this painful retreat
Made an oracle against my will
Word spread of miraculous skillsPremonitions call my name
I once doubted them all when they came

Now I embrace it and I'll never be the sameTransfixed in the desert sands

Take a look at my once empty hand See the rose that appears so real

Just like the one you saw in your dreamsThose who call me Avatar

Knows not what they're looking for

They just feed the flames with miraclesJust so you know if you bathe within my light You diminish your own might

The illusionist in everyoneAs an outcast I faced defeat Seeking comfort in this painful retreat

Made an oracle against my will

Word spread of miraculous skillsPremonitions call my name

I once doubted them all when they came

Now I embrace it and I'll never be the sameThose who call me Avatar

Knows not what they're looking for

They just feed the flames with miraclesJust so you know if you bathe within my light You diminish your own might

Illusionist in everyoneWhat I say and what I do was once potential

Sprung from the infinite place that dictates the seenThose who call me Avatar

Knows not what they're looking for

They just feed the flames with miraclesJust so you know if you bathe within my light You diminish your own might

Illusionist in everyoneThose who call me Avatar

Knows not what they're looking for

They just feed the flames with miraclesJust so you know if you bathe within my light
You diminish your own might
Illusionist in everyone, in everyone
