

# New Project (Live at Shepherd's Bush)

## Athlete

There's a house at the end of the road  
It's got no windows and it's hard to see what is going on in there  
There's a man and he asks you what you want  
He's got no reason but you feel like you can't just ignore what he says  
Imagine he's all you've got  
Imagine he's all you've got  
There's a house at the end of the road  
It's got no windows and it's hard to make out what you just came here for  
Catch the sun through the trees as you are walking  
Through the garden  
You've just got to get in before they close the door  
Imagine he's all you've got  
Imagine he's all you've got  
Imagine this is all you have come across  
Imagine she's all you've got  
Imagine this is all you will ever have  
Imagine he's all you've got
