

# The Second Time Around

**Dionne Warwick**

Love is lovelier  
The second time around  
Just as wonderful  
With both feet on the ground It's that second time you hear  
Your love song sung  
Makes you think perhaps that love  
Like youth, is wasted on the young Love's more comfortable  
The second time you fall  
Like a friendly home  
The second time you call Who can say what brought us to  
This miracle we've found  
There are those who'd bet  
Love comes but once and yet  
I'm oh so glad we met  
The second time around
