

# Just Say Go

## Iron Reagan

Maybe you were brought up a certain way  
That makes you not want to fulfill each day  
Or perhaps scared of what you'll findJust know,

I'm urging you to just let go  
You don't need to care at all

You should learn to just say go!Would you rather sit? Just do something

It's easy to complain rather than create  
Get off your ass you're in control  
Just know,

I'm urging you to just let go  
You don't need to care at all

You should learn to just say go!
