

Good Night My Love (Pleasant Dreams)

Harry Connick, Jr.

Goodnight, my love
Pleasant dreams and sleep tight, my love
May tomorrow be sunny and bright
And bring you closer to me Before you go
Please remember I need you so
And this love I have for you
Will never go cold If you should awake in the still of the night
Please have no fear
Just close your eyes then you realize
That my love will watch over you, dear, always Goodnight, my love
Pleasant dreams and sleep tight, my love
May tomorrow be sunny and bright
And bring you closer to me If you should awake in the still of the night
Please have no fear
Just close your eyes then you realize
That my love will watch over you, dear, always Goodnight, my love
Pleasant dreams and sleep tight, my love
May tomorrow be sunny and bright
And bring you closer to me And bring you closer to me
