

Come On In My Kitchen (feat. Charlie Musselwhite)

Big Head Blues Club

You better come on in my kitchen
It's gonna be rainin' outdoorsThe woman I love took from my best friend
Some joker got lucky, stole her back againYou better come on in my kitchen
It's gonna be rainin' outdoorsOh, she's gone, now she won't come back
Taken her last nickel out of her nation sack
Oh, that wind, can you hear the howl?
I don't know if my [Incomprehensible]You better come on in my kitchen
It's gonna be rainin' outdoorsWhen a woman throws her down
Lookin' for a good friend, none can be found
Winter time's comin', it's gonna be slow
You can't make the winter, babe, that's dry long soYou better come on in my kitchen
It's gonna be rainin' outdoors
