

# Let There Be

## Gungor

Darkness hovering  
Grasping everything it sees  
Void empty  
Absent life and absent dream  
Let there be  
Let there be  
Angels toil and crack open scrolls of ancient dreams  
Countless worlds of his  
Brilliant stars and breath and stream

Let there be  
Let there be  
Let there be  
Let there be  
Let there be  
Let there be  
Let there be light  
Let there be light  
Where there is darkness  
Let there be light  
Where there is nothing  
Let there be light.
