

# 10 Million Ways

## Mack 10

'Cause if you fuck with us

We leave scars

'Cause if you fuck with us

We leave scars

'Cause if you fuck with us

We leave scars

'Cause if you fuck with us

We leave scars

Tick tock around the clock for the rock ya come see me

Just knock at the door I'll grant your wish like a genie

Strait out to get paid stack the loot that I made

Been slangin' dope out my mammas' house since the 10th grade

Never tried it can't deny it in the tiots was a looter

Used to hang with drive by shooters, stick 'em up for Honda scooters

Never was a scholar make you throw yo hands and holla

Wolla went to Jr. High slangin' joints fo a dollar

Finger waves was the new fad so they spotted a due rags

Niggas got dumped on fo the red or blue rags

Down with the G's so them niggas never serve me

Bellin' through the hood in my honeycomb Jersey

Painter pants cuffed so I fix it on my biscuits

Till my hair get long enough to brade my bitch I'll keep it twisted

It's that nigga runnin' wild punch the pedal to the meadow

And everywhere I go it's a must I keep it ghetto

'Cause if you fuck with us

We leave scars

Motherfucker crime pays

In 10 millions ways

'Cause if you fuck with us

We leave scars

Motherfucker crime pays

In 10 millions ways

Choose one, choose one

Choose one, choose one

1 2 3 4, hit it

Choose one, choose one

Choose one, choose one

1 2 3 4, hit it

24/7 on a 211

Fresh out the county I hunt like a bounty  
From 10 to midnight make sure my shit tight  
Map out the lick right so that I hit right  
I strike to stay alive to be exact need a sack  
Can't hack this monkey on my back  
So I shot it now you plot it I got it  
Exotic to erotic money ho's to narcotics  
No preachin' knowledge of self or religion  
I'm too busy raisin' pit bulls and pigeons  
Put the hustle down steady for the summer  
I'm ready way tighter got two birds and a rider  
But I'm out fo mo nigga can't get enough doe  
Place my hands on the fo fo  
Arm robbery is my hobby  
So I gotta sickum then lickum now who's my next victim  
'Cause if you fuck with us  
We leave scars  
Motherfucker crime pays  
In 10 millions ways  
'Cause if you fuck with us  
We leave scars  
Motherfucker crime pays  
In 10 millions ways  
Choose one, choose one  
Choose one, choose one  
1 2 3 4, hit it  
Choose one, choose one  
Choose one, choose one  
1 2 3 4, hit it  
Got the plak in the back straight rag top  
Peepin' the scene with the gangsta lean  
Super clean in and out make you weak at the knees  
I watch fo the thieves on my hunt spoke D's  
Stereo type foe life from the streets where the palms trees sway  
And the money parlay  
Fo block niggas got the hoes like sewed up  
Bitches on my nuts every since I first showed up  
BG nigga with my though skins hangin'  
Tryin' to look like my big homies that was bangin'  
Slangin' like 90 goin' north with the cavey  
Twistin' through the hood in a 83 caddy  
Coupe Deville I packs my big still  
'Cause it's sittin' on white ones with the two way tight ones  
And as I floss I keeps my Nina Ross  
Cocked with the clipin' to catch a nigga slippin'

'Cause if you fuck with us  
We leave scars  
Motherfucker crime pays  
In 10 millions ways  
'Cause if you fuck with us  
We leave scars  
Motherfucker crime pays  
In 10 millions ways  
(Let me [Incomprehensible] the way)  
Choose one, choose one  
Choose one, choose one  
1 2 3 4, hit it  
(Let me [Incomprehensible] the way)  
Choose one, choose one  
Choose one, choose one  
1 2 3 4, hit it  
'Cause if you fuck with us  
We leave scars  
Motherfucker crime pays  
In 10 millions ways  
'Cause if you fuck with us  
We leave scars  
Motherfucker crime pays  
In 10 millions ways  
(Let me [Incomprehensible] the way)  
Choose one, choose one  
Choose one, choose one  
1 2 3 4, hit it  
(Let me [Incomprehensible] the way)  
Choose one, choose one  
Choose one, choose one  
1 2 3 4, hit it
