

# Dogfight

## Evergreen Terrace

Bring your words to the river  
Throw yourself in  
There will be no tomorrow  
This will be the end of your poison from the tip of your tongue  
Drowning in the river  
You will be done with all of your lies  
I want to believe you but I'm letting go  
Running your mouth only vilifies rotting away;  
Decay will satisfy  
Rot away  
I want you dead  
We want we you dead
