

# Don't Explain

Wynton Kelly

Hush now, don't explain  
Just say you'll remain  
I'm glad your back  
So don't explain  
Quiet, don't explain  
What is there to gain  
Skip that lipstick  
Don't explain You know that I love you  
And what endures  
All my thoughts of you  
For I'm so completely yours  
Cry to hear folks chatter  
And I know you cheat  
Right or wrong, don't matter  
When you're with me, sweet  
Hush now, don't explain  
You're my joy and pain  
My life's yours love  
Don't explain You know that I love you  
And what endures  
All my thoughts of you  
For I'm so completely yours  
Cry to hear folks chatter  
And I know you cheat  
Right or wrong, don't matter  
When you're with me, sweet  
Hush now, don't explain  
You're my joy and pain  
My life's yours love  
Don't explain My life's yours love  
yours love  
Hush now  
Hush now  
My life's yours love  
Hush now  
Please hush now  
So hush now
