Please Please Me

Matt Dusk

Last night, I said these words to my girl
I know you never even try girlCome on, come on, come on, come on
Please, please me like I please youYou don't need me to show the way, love
Why do I always have to say love?Come on, come on, come on, come on
Please, please me like I please youI don't want to sound complaining
But you know there's always rain in my heartI do all the pleasing with you
It's so hard to reason with youOh yeah, why do you make me blue?
Last night, I said these words to my girlI know you never even try girl
Come on, come on, come on
Please, please me like I please you, you
