

# Porn Star Dancing (feat. Ludacris) [Bonus Track]

## My Darkest Days

Kylie won't kiss my friend Cassandra  
Jessica won't play ball  
Mandy won't share her friend Miranda  
Doesn't anybody live at all? Amanda won't leave me empty handed  
Got her number from the bathroom stall  
Brandy just got way too much baggage  
And that shit just gets old But I got a girl who can put on a show  
The dollar decides how far you can go She wraps those hands around that pole  
She licks those lips and off we go  
She takes it off nice and slow  
'Cause that's porn star dancin' She don't play nice, she makes me beg  
She drops that dress around her legs  
And I'm sittin' right by the stage for this  
Porn star dancin' Your body's lightin' up the room  
I want a naughty girl like you  
There's nothing harder to do Stacy's gonna save herself for marriage  
But that's just not my style  
She's got a pair that's nice to stare at  
But I want girls gone wild But I know a place where there's always a show  
The dollar decides how far you can go She wraps those hands around that pole  
She licks those lips and off we can go  
She takes it off nice and slow  
'Cause that's porn star dancin' She don't play nice, she makes me beg  
She drops that dress around her legs  
And I'm sittin' right by the stage for this  
Porn star dancin' Your body's lightin' up the room  
I want a naughty girl like you  
Let's throw a party just for two  
You know those normal girls won't do She wraps those hands around that pole  
She licks those lips and off we can go  
She takes it off nice and slow  
'Cause that's porn star dancin' She don't play nice, she makes me beg  
She drops that dress around her legs  
And I'm sittin' right by the stage for this  
Porn star dancin'
