

Sole Survivor

Asia

When I ride the hounds of hell
Twist my foot, I nearly fell
I was lucky, I was alive
One look back I could have died I was the sole survivor
Sole survivor
Sole survivor
Solitary fire When I saw it I was amazed
One time glory right in my gaze
I saw the sorrow, I saw the joy
Right in the darkness none could destroy I am the sole survivor
Sole survivor
Sole survivor
Solitary fire And from the wreckage I will arise
Cast the ashes back in their eyes
See the fire, I will defend
Just keep on burning right to the end I'll be the sole survivor
Sole survivor
Sole survivor
Sole survivor Sole survivor
Sole survivor
Sole survivor
Sole survivor Sole survivor
Sole survivor
Sole survivor
Sole survivor
