Beautiful View

Sarah Connor

I'm so electrified
Transcending space and time
Oh oh oh

Future so undefined

Leave the routine behindEverytime everytime blow my mind

When I see you I don't know what to say

You turn night into day

It's a magical circle

You're takin' my breath awayBeautiful beautiful view

Everytime I look at you

It's like a spirit callin'

Beautiful beautiful you

Baby I'm so into you

It fells like I'm fallin'Target identified

I'm blinded by your light

You keep me up all night

But it's no sacrificeEverytime everytime blow my mind

When I see you I don't know what to say

You turn night into day

It's a magical circle

You're takin' my breath awayBeautiful beautiful view

Everytime I look at you

It's like a spirit callin'

Beautiful beautiful you

Baby I'm so into you

It fells like I'm fallin'You blow my mind

You're so beautiful beautiful beautiful....

You blow my mindBeautiful beautiful view

Everytime I look at you

It's like a spirit callin'

Beautiful beautiful you

Baby I'm so into you

It fells like I'm fallin'Beautiful beautiful view

God has made a miracle

The day you were born and

Beautiful beautiful you

I will never let you go

You're like the perfect song yeahIt fells like I'm fallin' yeah
