# Feels Good

## David Morales

feels good (repeated)
only you can make my body move
so good is how you make me feel
when i'm with you evertying's alright
you make the stars shine bright, so bright

CHORUS
feels good
when i'm with you
feels good
when you're around
feels good
to know you're there.

can i go to paradise with you
dance into the night
i cant believe what you do to me

_____

i cant believe how you make me feel
you know what i like

CHORUS

when i'm with you i can dance all night

CHORUS
