

Beat This Heart (feat. Serena Ryder)

[Tim Chaisson](#)

Call me crazy but Im still in love with you
Call me lazy but theres little I can do
I count the days just like I blink my eyes
Your quick good byeI think its funny that I still recall your scent
But cant remember how our yesterday was spent
Its not my memory thats failed you s
Its you not meIf you dont play me, someones gonna save me
But youre always gonna beat this heart of mine
If you just believe me, no reason then to leave me
Lets pretend you think Im right this time
Your always gonna beat this heart of mineYoure very beautiful of that Im sure you know
How many others fellas long to tell you so
For everyone who needs a fresher start
A broken heart
