Get Happy

B*Witched

Yeah
Don't be a brontosaurus
(Don't be a brontosaurus)
Don't you ever walk that way?
(Don't you ever walk that way?)It's the right thing to do
(It's the right thing to do)
Just doing what you do
(Just doing what you do)Tell me you're tired of hanging around
And dreaming your life away
We've got the feeling of Saturday night
So come on let's hear you say
Everybody gather 'round
Don't you know what we have foundOh everybody get happy
A B C count me in with 1 2 3
Oh and everybody get happy
Pick the rock a glory
So tell me what's the storySo keep the bad vibes well away
(So keep the bad vibes well away)
What you gonna do?
What you gonna do?
Kicking off with something new
(Kicking off with something new)Tell me you're tired of hanging around
And dreaming your life away
We've got the feeling of Saturday night
So come on let's hear you say
Everybody gather 'round
Don't you know what we have foundOh everybody get happy
A B C count me in with 1 2 3
Oh everybody get happyOh
(Alright)
Everybody get happy
Oh
(Alright)
And everybody get happyI hear you
