

# Hummingbird

[John Mayer](#)

1, 2, 3, 4 Sometimes, I get impatient but she cools me without words  
And she comes so sweet and softly, my hummingbird  
And have you heard that I thought my life had ended  
But I find that it's just begun 'cause she gets me where I live  
I'll give all I have to give, I'm talking about that hummingbird Oh, she's little and she loves me too much for  
words to say  
When I see her in the morning sleeping  
She's little and she loves me to my lucky day  
Hummingbird, don't fly away When I'm feeling wild and lonesome, she knows the words to say  
And she gives me a little understanding in her special way  
And I just have to say, in my life I loved a woman  
Because she's more than I deserve and she gets me where I live  
I'll give all I have to give, I'm talking about that hummingbird Oh, she's little and she loves me too much for  
words to say  
When I see her in the morning sleeping  
She's little and she loves me to my lucky day  
Hummingbird, don't fly away Don't fly away, away, don't fly away, away  
Don't fly away, away, don't fly away, away  
Don't fly away, away, don't fly away, away  
Don't fly away, away
