

# Worlds Away (Acoustic)

## From First to Last

We pave the roads we take  
We bend before we break  
Across the world with you  
Across the world with you The love you never found  
Was right here all along  
Waiting here for you  
Waiting here for you When words mean nothing I'll be here singing  
On and on and on and on  
Worlds away I'll still be singing  
On and on and on and on I know you feel like you've come too far  
But you can always trace your steps back to the start  
Tearing down what you had tried to build  
Sometimes earthquakes have a chance to kill When words mean nothing I'll be here singing  
On and on and on and on  
Worlds away I'll still be singing  
On and on and on and on When words mean nothing I'll be here singing  
On and on and on and on  
Worlds away I'll still be singing  
On and on and on and on When words mean nothing I'll be here singing  
On and on and on and on  
Worlds away I'll still be singing  
On and on and on and on
