

Mr. Brightside

McFly

Coming out of my cage
And I've been doing just fine
Gotta gotta be down
Because I want it all It started out with a kiss
How did it end up like this?
It was only a kiss
It was only a kiss Now I'm falling asleep
And she's calling a cab
While he's having a smoke
And she's taking the drag Now they're going to bed
And my stomach is sick
And it's all in my head
But she's touching his chest now He takes off her dress now
Let me go 'cuz I just can't look
It's killing me and taking control Jealousy, turning saints into the sea
Swimming through sick lullabies
Choking on your alibis
But it's just the price I pay Destiny is calling me
Open up my eager eyes
'Cuz I'm Mr. Brightside But I never
I never
I never
I never
