Clarinet

The Delgados

Take the easy way out and I'll meet you at my roof
Making intimacy is an art form of mine
Say hello, say goodbye, say whatever I'm feeling
Fingers crossed, there's no point in these lies
'cause you're getting nothing, 'cause everything's lies
Don't be scared in the morning
Just be scared for tonight
Lonely girls live along there
They wish
They dream

Hanging out of my window I don't at the weekend
Onion badges the worst cherryade it's alright
These are times I can't see now what we have to get
It's not crass, I'm not talking of doves
It's just I'm afraid I forgot what I love
Don't be scared in the morning
Just be scared for tonight
Lonely girls live along there
They wish and they dream but they live in us fly

No I won't be your friend and I'll die if you're right
I've had friends who are shy
But I don't count on views
I'm not heaven, you are
Silver coins land on the floor

I don't know if you're right or you're wrong, oh I don't care
Let's go out for the night, get some chips in the car
Tell me what you've been reading the day and the TV
Make me laugh for a while when I fret
Then let me remember, I cannot forget
Don't be scared in the morning
Just be scared for tonight
Lonely girls live alone here
They wish and they dream but they live in us fly

No I won't be your friend and I'll die if you're right
I've had friends who are shy

But I don't turn the views
I'm not heaven, you are
Silver coins land on the floor.
