Black Jack

Testament

Life, dismantle your life piece by piece
Winning the hand while still losing the bet
Even with an Ace up your sleeveRolling, snake eyes are poison to me
Gamble your life with a toss of the dice
The rush is all that I needStakes are high, and so am I
You bet your life on the line
No lady luck on my side
It's heads you win and tails you loseIt's heads you win in the city of sinLife, spinning your life on the wheel
The joker is wild with a black grin he smiles
The gamble is still worth the riskStakes are high, and so am I
You bet your life on the line
No lady luck on my side
It's heads you win and tails you loseAces high, and so am I
They're watching you from the eye
I got the Aces so I double down
Where's lady luck, she ain't aroundLife, a gambler's life haunting me
Seven eleven, I still cannot win
Snake eyes just won't me beStakes are high, and so am I
You bet your life on the line
No lady luck on my side
It's heads you win and tails you loseAces high, and so am I
They're watching you from the eye
I got the Aces so I double down
Where's lady luck, she ain't aroundIt's heads you win in the city of sin
