

Our Father

Extreme

Oh daddy, please
Take me with you where you goin'?
Oh daddy, please
Come find the time, come watch us growin'
Oh daddy, please
Don't leave there's so much that we want to know before you go Well I'm in need of someone to tie my shoes
Or take hold of my hand when I become afraid
And whose footsteps will I follow into
Daddy please
Don't run away Our father
Far father
Our father
Far farther away Oh daddy, please
I pray every night the doors will open
Oh daddy, please
This house is just a broken home
Left all alone Well I'm in need of someone to tie my shoes
Or take hold of my hand when I become afraid
And whose footsteps will I follow into
Daddy please
Don't run away Our father
Far father
Let me tell you 'bout
Our father
Far farther away Oh daddy, no
Oh daddy, no
Don't run away, yea And whose footsteps will I follow into
Daddy please
Don't you hear me
Don't run away Our father
Far father
Lets talk 'bout
Our father
Yea, yea
Far father
Yea, I know what I'm talkin' 'bout
Our father
Far farther away
Far father
