

Some Days Iâ€™m Golden All Night

[Josh Rouse](#)

Some days I'm golden
Other days I'm bad
It all depends on the weather
And how many drinks I've had
But I'll keep on movin'
Baby I can't slow down
The last few years it's been a struggle
To get along and hang around Now the city's fast asleep
I'll go walk these empty streets
All night I'm getting older
?(Solid for these shoes)?
I lean heavy on ambition
And I mostly feel abused
But some days I'm golden
Some days I'm bad
It all depends on my wallet
And the lucky streak I've had Now the city's fast asleep
I'll go walk those disco streets
All night
