Pronto? Si...
Come va a Hollywood?
Oh you're staying a little longer?
Well I thought you'd be done by September...Non posso vivere
Troppo bisogno di te
Wish you decided to stay
We're too far, we're too far awayVivere
Guarda, guarda intorno a te
Yeah I'm just calling to say
No how can I sleep when you're wide awake?Frutti di mare
Right beside me
Watch the ocean with you
Innamorato
Agitato
Watch her movie debutI painted the house
I bought sheets that you liked on that trip when we went to Rome
And I got a motorboat for the summer
In case you're done early or if you plan to visit
But wait... D'you plan to visit?Non posso vivere
Troppo bisogno di te
Wish you decided to stay
We're too far, we're too far awayVivere
Guarda, guarda intorno a te
Yeah I'm just calling to say
No how can I sleep when you're wide awake?
Frutti di mare
Right beside me
Watch the ocean with youInnamorato
Agitato
Watch her movie debutI wish you'd all from set
I wish I didn't get upset
Who's that guy you hang out with?
Is he the lead or just an extra?Instead of calling please ritoma a me
How can I sleep when you're wide awake?Non posso vivere
Troppo bisogno di te
Wish you decided to stay
We're too far, we're too far awayVivere
Guarda, guarda intorno a te
Yeah I'm just calling to say

 Ringing for me

 Can I tell you?

I dream in stereoAnd in a studio

 Far far away

 I might lose you

To some executiveTelefono

 Ringing for me

 Can I tell you?

I dream in stereoAnd in a studio

 Far far away

 I'm here solo
