

Dead Is the New Alive (Album Version)

Emilie Autumn

Dead is the new alive
Despair's the new survival, a pointless point of view
Give in, give in, give in, give in
You play the game, you'll never winDead is the new alive
Life's only living rival, a casket built for two
Give in, give in, give in, give in
You play the game, you'll never winSo take me now or take me never
I won't wait, you're already late
So say goodbye or say forever
Choose your fate, how else can we survive?
Dead is the new aliveDead is the new alive
A Gothic play revival, the last act of the show
Give in, give in, give in, give in
You play the game, you never winSo take me now or take me never
I won't wait, you're already late
So say goodbye or say forever
Choose your fate, how else can we survive?
Dead is the new aliveWhat is a day without a blessed night?
And what is peace without a blessed fight?
What is a day without a blessed night?
And what is peace without a blessed, blessed, blessed fight?A quick taste of the poison, a quick twist of the knife
When the obsession with death
The obsession with death becomes a way of life
A quick taste of the poison, a quick twist of the knife
When the obsession with death
The obsession with death becomes a way of lifeAlive, alive, alive, oh, oh, oh, oh, oh
Alive, alive, alive, oh, oh, oh, oh, oh
Alive, alive, alive, oh, oh, oh, oh, oh
Alive, alive, alive, oh, oh, oh, oh, ohDead is the new alive, alive, alive, alive
Dead is the new alive, alive, alive, alive, alive
Dead is the new alive, aliveDead is the new alive
Dead is the new alive
Dead is the new alive
Dead is the new aliveDead is the new alive
Dead is the new alive
Dead is the new alive
Dead is the new aliveDead is the new alive
Dead is the new alive
Dead is the new alive
