

# Casilda's Song

## Root

Along the shore the cloud waves break,  
The twin suns sink behind the lake,  
The shadows lengthen - in Carcosa.Strange is the night where black stars rise,  
And strange moons circle through the skies,  
But strange still is - lost Carcosa.Songs that the Hades shall sing,  
Where flap the tatters of the King,  
Must die unheard in - dim Carcosa.??
