

Take It Away

Teedra Moses

?Pardon me I'm a day dreamer
I keep my head in the clouds
Life's still beautiful I'm a believer
To hell with the bull shit baby make me smile
Cause life should be an after party
And love should be a sweet champagne
Make it good, Take it away
Make it good to me, good to me, and take it away
Kiss me, hold me, tell me you love me
