

# Somewhere Down In Fullerton

Allister

Somewhere down in Fullerton  
there's a place we used to go  
to get away from it all  
Somewhere down in Fullerton  
there's a place we used to go  
to get away from it all But i'm still trying  
just to figure out why  
this feels so wrong  
when it felt so right  
felt so right four years ago So please don't go away  
won't this feeling  
stay with me forever  
whatever i say  
please don't go away  
i just want you to  
stay with me forever Somewhere down in Fullerton  
there's a place that ment  
so much to everybody like me  
Somewhere down in Fullerton  
there's a place that ment  
the world to everybody like me But i'm still trying  
just to figure out why  
this feels so wrong  
when it felt so right  
felt so right four years ago So please don't go away  
won't this feeling  
stay with me forever  
whatever i say  
please don't go away  
i just want you to  
stay with me forever But i'm still trying  
just to figure out why  
this feels so wrong  
when it felt so right  
felt so right four years ago So please don't go away  
won't this feeling  
stay with me forever  
whatever i say  
please don't go away

i just want you to  
stay with me forever  
whatever i say  
please don't go away  
won't this feeling  
stay with me forever  
whatever i say  
please don't go away  
i just want you to  
stay with me forever  
with me
