It's on!

Scruffnuk Dust

Come onSave some for me, it's what I like
I wanna play, you know it's time
Something is calling
I can't keep from fallingCome on
It's onNow see it's my fault
Angels stabbing me inside
Nothing changes
Just rearranges for me this timeOnce I cave in, what can I fight?
I can never win, my self I don't like
I don't like, I don't like, I don't like
Something is calling, I can't keep from fallingCome on
It's onYou see it's my fault
Angels stabbing me inside
Nothing changes
Just rearranges for me this timeThis time, this time
For me inside, put me inside
Hold me this time, put me inside
Come on, it's onCome on, it's on
Come on, it's on
Come on, come on
It's on
