

# Styrofoam

## Dr. Feelgood

(d. before)I got a lady lives in a home  
Made entirely of styrofoam  
Styrofoam fireplace, styrofoam logs  
Styrofoam cats and styrofoam dogs- break -Styrofoam people, styrofoam mags  
Styrofoam pens and styrofoam bags  
I got a lady in a styrofoam home  
Every damned thing's made of styrofoam- break & harmonica solo -I got a lady lives in a home  
Made entirely of styrofoam  
Styrofoam fireplace, styrofoam logs  
Styrofoam cats and styrofoam dogs- break & short solo -Is here a genuine... ? ? ?  
(undefinable murmur by lee)
