

Don't You Go Up The Sky

DeWolff

Don't you go up the sky,
I'd rather take your lie,
For my lovin',
I cannot hide,

But it's gotta say, just way it in. Don't need a seal on my soul,
In the darkest deepest ditch,
Better saw it don't get broken,
By this dirty little bitch.

Even like,
You'll be found,
But I hold the hand of time,
There'll be no place,
For you to hide,

In this massive empty sky.
Don't need a seal on my soul,
In the darkest deepest ditch,
Better saw it don't get broken,
By this dirty little bitch. Yeah[solo]
