

Survive (Marius de Vries mix)

David Bowie

Oh, my
Naked eyes
I should have kept you
I should have tried
I should have been a wiser kind of guy
I miss youGive me wings
Give me space
Give me money for a change of face
Those noisy rooms and passion pants
I loved youWhere's the morning in my life?
Where's the sense in staying right?
Who said 'time is on my side'?
I've got ears and eyes and nothing in my life
But I'll survive your naked eyes
I'll surviveYou alone across the floor
You and me and nothing more
You're the great mistake I never made
I never lied to you, I hated when you lied
But I'll survive your naked eyes
I'll surviveBeatle boys, all snowy white
Razzle dazzle clubs, every night
Wish I'd sent a Valentine
I love youI'll survive
Naked eyes
I'll survive
I'll survive
My naked eyes
I'll survive
I'll survive
Naked eyes
I'll survive
I'll survive
I'll survive
