

# One Night Stand (feat. Oobie)

## Lil Jon & The East Side Boyz

(Oobie:)

I'm sliding me on top of you  
Doing things that lovers do  
But I don't belong to you  
Whats a girl suppose to do  
I only need one night with you  
To make all our dreams come true  
You could never be my man,  
You can be my one night stand

(Oobie/Chorus)

Boy I know you got a girl  
And you know I got a man  
So lets both respect the game  
And have a one night stand  
Everybody wanna know  
But they wouldn't understand  
So lets keep it on the low  
And have a one night stand Well it's about a quarter to three

No ones lookin',  
Its just you and me  
You know I'm down for whatever  
And I aim to please  
But its only for this one night  
Boy I hope you came well prepared  
Cause I want you to know that  
I ain't never scared  
You just got to RSVP  
And I'll be there

But its only for this one night(Chorus)

Boy I know you got a girl  
And you know I got a man  
So lets both respect the game  
And have a one night stand  
Everybody wanna know  
But they wouldn't understand  
So lets keep it on the low  
And have a one night stand(Lil Jon:)
