

# Wind In The Wires

## Patrick Wolf

Wind in the wires  
It's the sigh of wild electricity  
I'm on the edge of a cliff  
Surpassing  
Comfort and securityBut here comes a gale  
A crippling anger  
Sea birds are blown  
Into the rocks  
Grace is lost to thunderThunder  
Pressure  
Getting  
LowerBut see her waters break  
Rain falling to the sea  
Into a granite waveA unit  
A familyIt's just a sigh  
Just a sighThis wild electricity  
Made static by industry  
Like a bird in an aviary  
Singing to the sky  
Just singing to be freeTo be free
