

Get it (Duet with Michael Jackson)

Stevie Wonder

Miss Lady Girl

Is putting her love on the shelf

Cause she don't want

To be hurt by nobody elseShe's taken her heart

And put it away under lock and key

But its high time

Miss Lady Girl sets her heart free and gives her love to meSome think that diamond rings; fancy cars

Will make a big impression

But I know that all she needs is my tender

Love and affection

Cause she still saysThat no one's gonna get it

No one's gonna get it, oh no

But someone's gotta get it

And I feel that I will be the one who willNo one's gonna get it

No one's gonna get it, oh no

But someone's gotta get it

And I know that I will be the one who willGonna get it, her love

Gonna get it, her kisses

Gonna get it, her heart

Gonna get it, get itMiss Lady Girl

Has buried her feelings deep inside

Cause she don't want

To be taken for another rideShe's sick and tired

Of being on that lonely merry-go-round

She just don't know

That the ultimate love of her life is about to be foundThey think that ready cash, flashy clothes

Will her life with laughter

But I've got the very thing that she needs

True love forever after

Then no more will she sayThat no one's gonna get it

No one's gonna get it, oh no

But someone's gotta get it

And I feel that I will be the one who willNo one's gonna get it

No one's gonna get it, oh no

But someone's gotta get it

And I know that I will be the one who willGonna get it, her love

Gonna get it, her kisses

Gonna get it, her heart

Gonna get it, get it
