Fantasized

Robert Cray

I heard her soft hand knock in the dead of night
I hear her whisper, "Baby, let me in"
I sat up in my bed
"She's hear", my heart criedJust like I fantasized
Just like I fantasizedI opened up my door and smelled her sweet perfume
Opened up my arms and smelled her satin skin
She said, "I'm yours tonight"
A fire glowed in her eyesJust like I fantasized
Just like I fantasized
Just like I fantasizedShe waits on tables at my favorite cafe
I tease and tempt her with games we can play
This evening with dinner she served me a smile
She said, "I'll be back when I get off tonight"She had sugar-sweet lips and magical hips
Just like I fantasized
What a slow ride, she moaned and she cried
Just like I fantasizedI've dreamed of her at least a thousand times
Loved her a thousand ways all in my mind
And now I feel
The dream is by my sideJust like I fantasized
Just like I fantasized[Unverified]
