

Divide The Hate

Submersed

Father, may I be shown
The man I have inside
Be shown the way to swallow my prideI tried
(I tried)
To lie
(To lie)
For the last timeI cannot hide the state
Of my mind
I cannot free what's in me
It's hidden for all timeMother, may I be shown
The right I have to cry
Be shown the strength I have insideI tried
(I tried)
To lie
(To lie)
For the last timeI cannot hide the state
Of my mind
I cannot free what's in me
It's hidden for all timeBreak me
(Break me)
Shape and make me
(Make me)
Give me strength that makes me, me
(Give me strength, give me strength)Break me
(Break me)
Shape and make me
(Make me)
Give me strength that makes me, me
(Give me strength, give me strength)Break me
Shape and make me
Break me
Shape and make meI cannot hide the state
Of my mind
I cannot free what's in me
It's hidden for all time
It's hidden for all time
