

Whatever Happened to My Rock N' Roll

Black Rebel Motorcycle Club

Spoken: 1...2...3...4!
You want a part of me
You want the whole thing
You want to feel something more than I could ever bring
You want it badly
You want it tangled
I want to feel something more than I was strangledI fell in love with the sweet sensation
I gave my heart to a simple chord
I gave my soul to a new religion
Whatever happened to you?
Whatever happened to our rock'n'roll?
Whatever happened to my rock'n'roll?She wants it hallow
She wants it tainted
She wants to feel something more than she was naked
You want to hide away
You're scared to touch it
I want to feel something more than I care to takeI fell in love with the sweet sensation
I gave my heart to a simple chord
I gvae my soul to a new religion
Whatever happened to you?
Whatever happened to our rock'n'roll?
Whatever happened to my rock'n'roll?She wants your image
She wants your kiss
She wants to get inside your head and tell it like it is
You want it badly
You want it so completely
I want to feel something more 'cause I can't f***in' breatheI fell in love with the sweet sensation
I gave my heart to a simple chord
I gave my soul to a new religion
Whatever happened to you?
Whatever happened to our rock'n'roll?
Whatever happened to my rock'n'roll?
