This home is where the heart is

Now I'm with you

And home is where the heart lives

Such a beautiful viewI've been through the fire

I've been through the rain

I'm a frequent flyer

Wanting to land again

I've been around, around the world

You put my feet on solid ground I love your atmosphereThis home is where the heart is

Now I'm with you

You find me here

And home is where the heart lives

Such a beautiful view

And home is where the heart is

Now I'm with you

And home is where the heart lives Such a beautiful viewYou take me higher

You taught me to fly

You lift my feet up of the ground

Into a velvet skyThis home is where the heart is

Now I'm with you

This home is where the heart lives

Such a beautiful viewThis home is where the heart is

Now I'm with you

And home is where the heart lives

Such a beautiful view

Home is where the heart lives

Now I'm with you

And home is where the heart lives

Such a beautiful viewI believe I'm gonna fly to you

And I believe I'm coming home for you

I believe I'm gonna fly to you

And I believe I'm coming home for youThis home is where the heart is

Now I'm with you

And home is where the heart lives

Such a beautiful viewHome is where the heart lives

Now I'm with you

And home is where the heart lives

Such a beautiful viewI believe I'm gonna fly to you And I believe I'm coming home for you Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
