

Gust Of Wind (feat. Daft Punk) (Autograf Remix)

Pharrell Williams

My heart is filled, with love and care
Not an ounce of gas, I would get up there
The answer's simple
You lift me up
The view up here, I see all the stars
There go Venus, and there go Mars
Somethin' you been through
You're from above
Hey, when I first saw you, I got excited
Tried to keep my composure, tryna hide it
But I didn't know
I didn't let go
Then it occurred to me while tryna fight it
Just like a kite, you learn to ride it
But I didn't know
You're s'posed to let it go
Like a gust of wind
You hit me off sometimes
Like a gust of wind
You push me back every once in a while
Like a gust of wind
You remind me there's someone up there
Who whooshes in
The air I need to power myself
When I open the window
I wanna hug you
'Cause you remind me of the air
I said yeah
'Cause when I'm feelin' real low
I remember I love you
I put my hands in the air
And you were there
With your love, I can board the skies
Finding a way that electrifies, mother's your other
Cannot stow away
Telephone winds of the northern sky
Is the closest thing, and here is why
'Cause we're color
You blow me away
I need you, like I'm breathing
Music umbrellas can make one cover
Who cares if they don't see you?
Don't you know that they're the same?
I need it like I'm breathing

If you never discover, forever you'll suffer
Who cares if they don't see you?
You got until then to learn the wayLike a gust of wind
You hit me off sometimes
Like a gust of wind
You push me back every once in a while
Like a gust of wind
You remind me there's someone up there
Who whooshes in
The air I need to power myselfWhen I open the window
I wanna hug you
'Cause you remind me of the air
I said yeah
'Cause when I'm feelin' real low
I remember I love you
I put my hands in the air
And you were thereWhen I first saw you, I got excited
Tried to keep my composure, tryna hide it
But I didn't know
I didn't let go
Then I realized I'm tryna fight it
Just so they can learn to ride it
But I didn't know
I had to let it go
